WELDING LEATHER PROTECTION

Unstoppable Protection. Unbeatable Comfort.

Sparks, heat, molten metal;
we know what you face.
Bertinato creates real leather
jackets designed to withstand the
most extreme environments.

✓ WHY CHOOSE BERTINATO

- Premium flame-resistant leather shields against sparks and spatter
- Ergonomic fit for exceptional comfort and mobility
- High stand-up collar with anti-spark flap
- Made in Italy

BERTINATO
WELDING PROTECTION

LEATHER WELDING APRONS

INNOVATIVE DESIGN FULL CHEST AND SHOULDER COVERAGE

TORAX is a next-generation leather welding apron designed for maximum protection and a bold, distinctive look. Made from thick, heat-resistant cowhide leather, TORAX provides a strong barrier against sparks, molten metal splash and abrasion.

TORAX offer superior protection compared to traditional aprons. Perfect for professional welders who demand safety, durability and style, combines high performance functionality with a unique technical design.
